

List of Additional Fees and Supplies 2009–2010

This listing of fees and other optional expenses in addition to tuition is presented by group level, interdivisional areas, and other special events as a service to parents for planning purposes. Supplies for special projects (such as display boards) are not always listed. If there is a fee or lunch money needed for a field trip, your child's teacher will let you know in advance.

The cost of a supply pack (a Student Council project) may vary, depending on the supplier used.

Parents who chaperone trips maybe asked to pay their own admission fees. Occasionally, special education opportunities arise that may require an additional fee during the school year.

Fees listed are subject to change.
