

WALK HOME FROM SCHOOL PERMISSION FORM 2022-2023

Students in Groups 1-4 may only walk home from school when accompanied by a parent OR a sibling in Group 5-8. Additionally, students are only permitted to walk to their own home, which must be reasonably close (typically 1 mile or less) to the School. Please complete the form below and return it to the Mrs. Tufo at the Front Desk. Please understand there are no crosswalks or crossing guards available for students.

Walking home from school is a big responsibility. You must follow the rules of both the school and the rules as a pedestrian. You are never to walk on the road. You are to walk on the sidewalk or (when there is no sidewalk) on the grass a minimum of 15-20 feet from the road. You may only cross the road at intersections. There are no crosswalks or crossing guards to assist you, so take special care to look both ways several times before crossing. Remember that the simple fact that you can see a vehicle does not guarantee that you are visible to the driver of a vehicle. Remember that any irresponsible behavior exhibited while walking home can result in the loss of walking privileges and/or disciplinary action from the school. Please be responsible and careful!

I have read the paragraph above and agree to be responsible and careful.
